Westmoreland speaks in lecture series April 23

Gen. William C. Westmoreland's appearance in The University of Texas at Tyler Distinguished Lecture Series has been rescheduled for 8 p.m. Tuesday, April 23 in the University Center, President George F. Hamm has announced.

Westmoreland was scheduled to appear in January but postponed all speaking engagements until completion of his libel trial proceedings against CBS-TV. A settlement was reached in the trial Feb. 18.

Former U.S. Army chief of staff, Westmoreland is best known for his service as U.S. commander in Vietnam under presidents Lyndon Johnson and Richard Nixon. During World War II he was commanding officer of the 34th Field Artillery Battalion in North Africa and Sicily, and landed in the D-Day offensive with the Ninth Infantry Division. He led two combat operations in Korea as commander of the 187th Airborne Regimental Combat Team.

Westmoreland received his Bachelor of Science degree from West Point in 1936, and holds several honorary degrees. The retired general has received more than 30 national and international awards, including the Legion of Mercy and the Bronze Star. He has written his memoirs, *A Soldier Reports*, published by Doubleday in 1976.

Tickets for the lecture will be available Monday, April 1. Complimentary tickets for faculty and staff and their immediate families can be obtained from the Public Information Office; students may pick up a complimentary ticket in the Student Activities Office and purchase additional tickets for \$5 each at the University Bookstore. A limited number of general admission tickets are available to the public for \$10 each at the bookstore.

Colloquium set for March 29

The Faculty Research Committee will host a Brown Bag Colloquium from noon - 1 p.m. Friday, March 29 in BUS 158.

Dr. Paula Lundberg, assistant professor of psychology, will present "Effect of chronic dietary soy lecithin on plasma lipids reproduction and brain development."

in the spotlight...

Deborah Bockmon, assistant professor of nursing, delivered the keynote address at the Homemakers' College sponsored by the Texas Agricultural Extension Service Feb. 22 at UT Tyler. Her topic was stress management.

Dr. Paula Lundberg, assistant professor of psychology, discussed the goals of the Smith County Council of Alcohol and Drug Abuse at the American Association of University Women symposium Jan. 12.

Dr. Davor Jedlicka, associate professor of sociology, has an article, "Formal Mate Selection Networks in the United States," reprinted in Leonard Cargan's book, *Marriage and Family: Coping with Change* published by Wadsworth Publishing Co.

Dr. George Joyce, professor of business administration, served as chairman at the Small Business Institute Director's Association annual meeting recently. Topics were advertising and market research and their application to small business.

Dr. Lynn Sherrod, dean, School of Sciences and Mathematics, presented a program, "Trees of Tyler and Smith County," to the Catherine Speas Garden Club Jan. 20 and the Lindale Garden Club Jan. 14.

Dr. Olga Fischer, assistant professor of education, and **Dr. Chip Fischer**, associate professor of education, presented two papers at the Texas Computer Education Association annual conference in February in Austin. The papers were titled "Writing Well: Current Practices with Microcomputers" and "Tool-Based Educational Computing."

Dr. Patricia A. Gajda, professor of history, presided at a joint session of the Texas State Historical Association and Texas Catholic Historical Society at their annual meeting in Ft. Worth Feb. 28 - March 2. She also attended a workshop and organizational meeting of a statewide archivists' association.

Dr. C. Ray Gullett, professor of business administration, and Deborah Bockman, assistant professor nursing, presented a seminar, "Time and Stress Management," to the Tyler Business and Professional Women's Club March 2. They also discussed stress and time management on KLTV's "5 p.m. Show" Feb. 28.

Dr. W.A. Mayfield, adjunct professor of technology, was presented the Distinguished Technology Educator Award at the Texas Association of Industrial Technology meeting at Texas A&M University in February. He will be recognized at the national conference in San Diego March 30.

Dr. Donald L. McClaugherty, associate professor of chemistry, was named chairman-elect of the Texas Association of Advisers for the Health Professions at the association's annual meeting at Texas Tech University School of Medicine Feb. 23.

Stephen B. Rainwater, assistant professor of computer science, was elected to a two-year term as president of the East Texas Council of Teachers of Mathematics at the organization's spring meeting in Longview Feb. 23. **Dr. Evelyn Sowell**, professor of education, will serve as past-president for 1985-87.

Comedian and magician entertain

Comedy combined with juggling and magic will be featured in two programs sponsored by the UT Tyler Student Association in April. Both performances will be at 7:30 p.m. in the University Center.

Juggler Edward Jackman will present his show, "Comedy and Other Dangerous Stuff," Monday, April 1. Jackman recently won the 1984-85 Campus Entertainer in Comedy Award given by the National Association for Campus Activities.

Magician John Ferrentino will perform April 9. He has appeared at several NACA conferences and performs his show of magic and comedy at colleges and universities across the country.

St. Louis Choir to sing in University Center

The University of Texas at Tyler Department of Music and School of Liberal Arts will present the University Singers, the University of Missouri at St. Louis choir, in concert at 8 p.m. Friday, March 29 in the University Center.

The performance is part of the choir's 1985 Southwestern Concert Tour and is open to the public at no charge. The concert will include choral literature from the 15th century to the present, featuring sacred and secular music, spirituals, folk tunes and carols.

U.S. SAVINGS BONDS PAYROLL SAVINGS CAMPAIGN

The annual U.S. Savings Bonds Payroll Savings Campaign has been set for April 1-12 at UT Tyler.

Earl Leggett, area manager of the U.S. Savings Bonds Division of the Department of the Treasury will give a brief overview on U.S. Savings Bonds and will entertain any questions that may arise on Thursday, April 4 at 9:30 a.m. in ADM 127.

Some of the important features of U.S. Savings Bonds are:

- * Interest rates on bonds held five years or longer are set at 8.5 percent of the market rate on five-year Treasury securities.
- * A minimum rate of 7.5 percent compounded semiannually if held 5 years or longer is guaranteed regardless of the prevailing market conditions.
- * The market determined rate or the minimum guaranteed rate, *whichever is higher*, will be paid.

If you have any questions or would like to enroll or increase your savings if you are already buying bonds, call the Personnel Office at extension 281.

Software available at discount

The University of Texas at Tyler has made application and been accepted to participate in the Microsoft Corporation Education Resale Program. This is being offered as a benefit to UT Tyler faculty, staff and students.

Effective immediately, faculty, staff and students may purchase software at a 45 percent discount from the suggested retail price. There will be a minimum order of \$250 and a \$50 charge for cancellations and changes. Also, please be advised that payment must accompany the order.

For further information, call the Purchasing Office (extension 304) or see Jack Adrian in ADM 110

PERSONNEL UPDATE

Loyd Ellis, maintenance supervisor, observed 10 years of continuous service at the university on March 17. Congratulations Loyd!
